Letter from the Editor

Get involved.

It's hard to believe another trustee year has passed and board members will be transitioning off.

It's a very bittersweet moment as this has been a very challenging year with COVID-19.

I personally feel like the current trustees have just found their footing. It almost feels like we need a do over. (Ha, ha!)

While I know that is not possible, I would like to thank Scott Hughes, Garret Untch, and John Storms on behalf of the community for their service.

They worked like troopers through the adversity and changing times. We should all be very appreciative of the countless hours they spent on behalf of the community.

With that, we will be looking to fill three seats for the upcoming year. Information and details are inside this month's Holler.

I would like to encourage residents to become involved.

Regards,
Sheila

Cyber bullying awareness & prevention

Did you know that over 40% of ADULTS have reported being bullied on the internet and social media... one of the biggest platforms for this behavior is Facebook.

What is Cyber Bullying?

Unwanted online contact of an individual, spread of gossip and misinformation to large groups of people are all considered a form of cyber bullying.

With our community pages, we all need to be aware of what we are posting. Let's all be good stewards online.

Meeting Recaps

Summer 2021 Garden Contest Winners:
Jim and Cindy Marr

Huntington Hills Park

The playground will soon receive an upgrade. The trustees approved the motion to move forward on the replacement of the playground equipment.

Residents voted on the design via Facebook. HHCA President Scott Hughes is leading the effort. It will be his final project as a trustee.

Homeowner Summer Projects

Please remember that most exterior project improvements, changes, modifications, etc., **must** receive prior approval by the Architectural Committee.

Failure to receive approval on your project can result in fines and penalties.

It's helpful to always check and make sure your project is permitted. To reach the committee, please contact Mike Monin at mjm427@insight.rr.com.

The HHCA Board will not meet regularly over the summer. To contact a member of the board, please see emails above.

Community Safety

The trustees have been in contact with the Sheriff's department, as well as, the Violet Township Trustees to look into speeding issues in the neighborhood

Speed strips have and will continue to be installed to gauge speed. If the Sheriff and Township find there is excessive speeding in the neighborhood, they will increase patrols in Huntington Hills.

For complete meeting minutes, visit the HHCA website.
