## Letter from our President

Hi HHCA Neighbors!

I'm Adam, your new association President. I intend to keep clear and transparent communication with our members. All of the elected trustees are volunteers, dedicating their own time to a conducive effort. I highly encourage you all to join us at the monthly meetings, especially if you have constructive feedback for the neighborhood and association. We all have vested interest in the neighborhood and association. Let's use our collective power to keep our neighborhood safe and enjoyable for generations to come. We have some refurbishments coming to the park and playground area, a Family Fun Day being planned, have listened to our residents and created proposed amendments to our association declaration and by-laws. Please vote as you see fit as ballots will be due no later than December.

I look forward to meeting as many neighbors as possible and intend to do what's best for the neighborhood overall. Don't forget to say "hi" or wave as we pass one another. Smile and encourage a positive atmosphere. It's a simple reason we all live here.

Very respectfully,  
Adam

# HHCA Budget 2022-2023

Here is a copy of our current budget for this fiscal year. As you can see, we are very transparent and careful of “our” funds and always look for ways to take care of our community through CONSCIENTIOUS SPENDING. We have funds accumulating in our Capital account (savings) which will enable us to maintain our beautiful park, update the playground and repair a deteriorating drainage system. We are hopeful that with the minimal increase in dues, we will be able to resurface our tennis court and continue to make improvements.

## Community Volunteer Opportunities

### Help out your community by becoming a volunteer

The Civic Association Board consists of five volunteer residents who do their best to plan, organize and coordinate our yearly activities. However, we really depend upon neighborhood volunteers to help out with Huntington Hills' awesome family-friendly community events.

What a great way to meet your neighbors, get kids together and keep Huntington Hills a great and desirable place to live! We realize that everyone has an active life, but if you can donate a few hours, please help us out!

Here are some great Volunteer Opportunities:

#### Family Fun Day

A fun opportunity for Volunteers is to help set up and run the games for the kids on Family Fun Day. If you will be available to help out, please text event coordinator Mark Paskert at (614) 619-2845.

In addition to volunteers, we desperately need long tables to borrow for the event. Also, please let us know if you have other items to lend or donate such as orange cones (any size), a large popcorn machine, tennis balls, Boomco/nerf guns, or a foam/plastic dart

game. In addition, we could also use some fun decoration items such as inflatable dancing tube men, flag streamers, etc. Please text Mark Paskert at (614) 619-2845.

#### Halloween Parade

We need a coordinator and volunteers to assist with the refreshments at the park after the Halloween Parade. The coordinator will organize the other volunteers and plan refreshments for the kids. If you can volunteer for this traditional Huntington Hills event, please contact Adam Hermans at [adam\\_Hermans@hotmail.com](mailto:adam_Hermans@hotmail.com).

#### Santa Letters

Here is another fun and rewarding activity for volunteers! Each year, the kiddos write letters to Santa and mail them in our Santa Mailboxes. We would like the kids to receive a response from Santa but we need volunteers to answer the letters. If you can help with this, please contact Lisa Stoklosa at [lmstoklos@gmail.com](mailto:lmstoklos@gmail.com).

These events are also a great opportunity for students to receive **volunteer hours** towards the Huntington Hills Andy Rominiecki **Scholarship**. In order to apply for the scholarship, each student must complete at least 16 hours of community service for Huntington Hills.

## Scholarship | Julie Wyatt

**Meet Claire Moore**

Congratulations to Claire Moore, winner of the Huntington Hills Andy Rominiecki Scholarship. Claire is the daughter of Brian and Elizabeth Moore who have lived in Huntington Hills for more than 21 years. She is a 2022 graduate of Pickerington North and is attending Ohio University in the School of Visual Communication.

Claire completed over 23 hours of community service by preparing and hiding eggs and serving as the Easter Bunny for our community Easter Egg Hunt. She also served refreshments and helped set up and tear down for the Halloween Parade. Not only did Claire earn community service hours for Huntington Hills but as a member of North's National Honor Society. She volunteered at the Farmer's Market, at scheduling days at North where she greeted people, distributed paperwork, and gave tours of campus, and she provided childcare at Sycamore Creek Church during services. Claire tutored a second grader with homework for over ten weeks. She also participated in Project MORE at Tussing Elementary where she tutored first and second graders in reading.

While in school, Claire played volleyball, swam on North's swim team, was a member of National Honor's Society, DECA, and was a Guidance Counselor Office Assistant. In addition to Claire's numerous volunteer hours, she has also been employed as a concessions worker at the HHRC Pool, Rooster's and the Reynoldsburg YMCA Child Care Center.

Claire was described as a "person with deep caring and strong values" by a Staff Member at North. The same individual described Claire's academic and work ethics as impeccable. A second community member said she noticed at an early age that Claire was responsible and trustworthy. She went on to say that Claire serves as their longest, most reliable caregiver they have used for their child. She added that Claire is one of the most responsible, kind, smart and trustworthy person she has met.

Please join me in congratulating Claire and wishing her the best of luck at Ohio University as she pursues her degree.

## Safety | Lisa Stoklosa

**Safety in Huntington Hills**

We receive many complaints about vehicles speeding and running through stop signs. The hill on Springbrook Drive going down to the park is of particular concern for speeding. Please obey the 25mph speed limit throughout the neighborhood and observe all traffic laws. Keep an eye out for residents walking or bicycling. School is back in session; watch out for children waiting for the bus, walking home and playing after school. Also, walkers, please be proactive and walk against traffic. At night, wear reflective clothing and carry a flashlight. The Huntington Hills Bylaws require that each house have an outside yard light within five feet of the lot line. Please make sure your yard light is in good repair and lit at night. If you don't have a yard light, consider installing one for safety reasons and to be in compliance.

**Dues**

Annual dues enable the Trustees to successfully continue HHCA activities, property maintenance and needed improvements. Currently, our annual dues are \$45 due on May 1. Dues received after May 1 include a \$10 late fee and are \$55.

We are grateful that the overwhelming majority of Huntington Hills' homeowners pay their dues on time. However, there are currently 65 homeowners with a balance. If you are one of them, please make a payment and bring your account up to date.

For your convenience, dues can be paid through PayPal. Simply go to the Huntington Hills website, [www.huntington-hills.org](http://www.huntington-hills.org) and click on the PayPal link. Otherwise, mail your payment to:

HHCA, P.O. Box 458,  
Pickerington, OH 43147.
